## Compassion in Action: Building Futures Together

A brand-new year is here filled with promise, purpose, and endless possibilities. I pray it has already started with joy in your heart, and blessings beyond your expectations!

On behalf of our moms, their children, our staff, and board, thank you for a phenomenal 2025. The Lord provided in beautiful ways and met every need at Serenade Heights—often beyond what we imagined. Because of your faithful generosity, we were able to encourage and support ten moms as they pursued sustainable independence and began building futures they once only dreamed of.

*“And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.” 2 Corinthians 9:8*

We also expanded our Non-Resident Program and will celebrate our first graduates this spring. In addition, countless moms and children were served through our workshops and community support. Your prayers and partnership allow us to continue the work God has called us to — walking alongside single mothers through challenging seasons toward lasting stability.

Looking ahead, we have two exciting events in 2026 and would love for you to join us. Our **2026 Dream Again Dinner – Compassion in Action: Pathway to Victory** will be held April 23. Reserve your seat by April 12. Then on September 28, we will host the **2026 Hope Fore Moms Golf Classic** at Cartersville Country Club. We hope you will mark your calendars.

Thanks to the incredible response of our donors and sponsors, we will again award two \$5,000 **Nancy Tucker Legacy Scholarships** this spring. Any 2026 Cherokee County high school senior raised by a single mom is eligible to apply. Applications open March 23, with scholarships awarded May 21. Last year, we celebrated recipients beginning their college journeys at Auburn and Anglo-American University in Prague.

**Thank you** for your continued prayers, encouragement, and generosity. We are deeply honored to serve our Lord and the families He entrusts to us.

## Mom Update!

These Moms are progressing in their studies and getting good grades studying Nursing, Cybersecurity, and Healthcare Management.

# Congratulations

## Program Updates!

The new year has gotten off to a great start! The families in our program were so very blessed over the holidays by many of our supporters who rallied to provide a special Christmas for them, especially our children. Two moms have completed their programs and one more plans to be finished by March. Congrats to all! We are looking forward to increasing our new Non-Resident Program for families who have stable housing but need the support and life changing ministry that Serenade Heights has offered for the past 13 years.

We are so proud of our families...3 of our moms are in school and making great grades, another is studying to take a state exam this month in Billing and Coding to get her certificate. Another of our moms is kicking off a new paid online business called "Frequency". All our ladies stay super busy and are Super Moms in our eyes! It's amazing to see how they pull off working, school, parenting, and just life.

Workshops are in full swing. We have had wonderful speakers and the food has been great! Thank you to all our wonderful volunteers who help, and of course, Childcare. We can't pull off these community fellowships without you. Join us sometime!

Recently we saw how important our Mentor teams are...one of our moms had an accident on icy stairs...her mentor team came around her and her daughter and helped her immensely. Thank you to all our mentors for being there for our families. Our Valentine Pancake Breakfast was fun and meaningful!

We love hanging out with our Crew! And thank you to everyone who lifts us up in prayer, serve, and give. With the Lord's help, you are helping change lives!

## With Your Help, Dreams Are Taking Root

As spring begins to flourish, I think of all the things blooming at Serenade Heights. 2026 is truly on track to be a year full of God-ordained impact. In 2025, we planted seeds of hope, faithfulness, and collaboration and now we are already seeing those seeds take root. Partnerships are flourishing, new supporters are joining our mission, and exciting opportunities are on the horizon.

Because of your generosity, we are strengthening the foundation that allows single mothers and their children to move faithfully toward long-term stability. Every gift fuels more than a two-year program, it fuels confidence, community, and a pathway forward.

As our programs continue to grow, so does the need for sustainable funding that ensures we can respond to the needs of families with love, excellence, and consistency.

We would love to share more about this exciting momentum at our 12th Anniversary Dream Again Dinner on April 23. This special evening will celebrate the lives transformed through Serenade Heights and cast vision for the future ahead. We also invite you to mark your calendar for our Golf Classic on September 28. Sponsorship opportunities are available for both events, offering meaningful ways for businesses to partner with us in making a difference all the while gaining visibility in the community.

If you have supported us before, thank you for helping hope bloom. If you are prayerfully considering deeper involvement this year, we would be honored to host you at our quarterly "Lunch and Learn" on March 11. Together, we are not just watching things grow, we are cultivating lasting change.

*Thank you for being more than a housing program – thank you for being a place of strength, hope, and restoration for single mothers like me. Your support makes a lasting difference in our lives and in the futures of our children. The love and empowerment you give does not go unnoticed. I am truly grateful.*
